

A Summer to remember

Our campers never want to leave when their parents come to pick them up. Our kids build quality relationships, increase social skills and stay on track throughout the summer with our black belt reading program. Our field trips utilize our community resources as well as surrounding fun parks, zoos and museums. Children love our "family" atmosphere and parents love the thanks they get for signing them up!!

Countdown to the best summer ever!

Parents: Our Martial Arts Super Summer Program is a fun and fascinating program that will:

Create unstoppable Confidence in Your Child!

From **dealing with bullies** to raising his or her hand to **confidently answer the teacher**, you will be amazed at how our program helps your child to **reach his or her potential** in a remarkably short period of time.

The children enjoy our weekly walks to the Haverhill Public Library.

When school is out we are in!!

No other activity is as enriching for children as the martial arts in the way we teach it at our school. Far

more than fitness and self-defense, martial arts will instill within your child a strong sense of

self-worth, self-confidence and the inner strength to say "NO!" to peer pressure.

Make this summer count by enrolling your child into our super summer program now.
